## Vision Prayer

Heavenly Father, by the power of Your Holy Spirit, we the faithful of Corpus Christi Parish, ask that You bless and sanctify us as we work together to implement our Vision. We ask that You guide us as we strive to love bravely, to serve radically and to meet all whom we encounter with humility and compassion. Help us to unite joyfully and lovingly as followers of your Son, Jesus, to take His message with us wherever we go. We know that by Your grace, we can make this Vision a reality. We ask this in the name of Your Son, our Lord Jesus Christ.

Amen.

# Synod News

Sometimes the word “synod” refers to an assembly of the **Synod of Bishops** – which happens once every three years. Recent synods have examined themes such as new evangelization, the family, young people and the Amazon. The next Synod of Bishops, in 2023, will focus on the topic of synodality itself.

In preparation for this 2023 Synod of Bishops, Pope Francis has asked all of the bishops to consult and pray with their own dioceses to help determine how synodality is being lived out in their midst and how we need to grow in our experience of journeying together.

Our parish of Corpus Christi began to participate in this process in November ... as our Community Life Teams took part in shared meetings. After these meetings, each CLT was tasked with bringing the synodal process to each church community. Covid hampered our original plan so we pivoted and hosted a parish-wide Synod meeting last weekend via Zoom, which was well-attended. Thank you to all who took part.

## Invite Others

*There's a Place for Everyone*

The word “synod” also refers to “journeying together” – being a community that is united in purpose and mission, moving together in the same direction in this earthly pilgrimage.

*And now it is on to the next phase...*

The Archdiocese is excited to launch the next phase of the local synod process. Until the end of February, they want to hear from people who are not currently engaged in our Church, creating an [online survey](#) for those who do not attend Mass or consider themselves involved with our Church.

The survey is short, open-ended, and anonymous. The Archdiocese is hopeful that it will provide opinions and information on how to better reach out to those in our midst. To get the feedback that will help plan for our future, we have to start by actually getting feedback! This is where you come in: we need your help.

Please take some time to share this survey with people you know who are not part of our Church. They can be fallen away Catholics or people with no experience in the Catholic Church. A personal invitation from someone they know will be our best tool for this phase of the process.

Visit [www.halifaxarmouth.org/synod](http://www.halifaxarmouth.org/synod) for more information. Check out the FAQ's on the next page.

## Prayer for the Synod

We stand before You, Holy Spirit, as we gather together in Your name. With You alone to guide us, make Yourself at home in our hearts; Teach us the way we must go and how we are to pursue it. We are weak and sinful; do not let us promote disorder. Do not let ignorance lead us down the wrong path nor partiality influence our actions. Let us find in You our unity so that we may journey together to eternal life and not stray from the way of truth and what is right. All this we ask of You, who are at work in every place and time, in the communion of the Father and the Son, forever and ever. Amen.

## *Why are we doing this?*

Archbishop Dunn is committed to reaching outside our walls during our current synodal process. If we want to reach and serve new people, we first need to know where they're coming from.

We also want to begin building a relationship with people who are not presently in our pews and let them know we care about them and their opinions! Our internal engagement for this synod has shown us that even many engaged Catholics do not feel heard in their faith communities. We want to do whatever we can to assure people that their voices will be heard and respected.

## *Didn't we do this a few years ago?*

In 2014, for the Year of Faith, our diocese ran an online survey called Beyond the Pews that was specifically for non-practising Catholics. This survey is based on some of what we learned from those responses and will hopefully provide us with more information and clarity.

## *What will be done with the survey responses?*

We'll be doing a few things with the responses. Firstly, a summary will be included in the report that we send to Rome for the ongoing synodal process. But closer to home, these responses will form part of the basis for our future outreaches of evangelization in our diocese. We want to invite people into our Church and share the saving love of God with them, but how we invite them may depend on what we hear from them.

## *Do you really think anyone will fill this out?*

We hope so! We're relying on personal invitation because we know that an online survey with no prize or payment is not necessarily the most compelling prospect. But if our core parishioners personally invite people in their lives, we believe we will have a much better response. Share this initiative with people who matter to you, and let them know that this process matters to you! We want to counter the perception that we don't listen or care what people think. We don't know exactly what will come of this, but we want to begin by asking the questions, looking at the responses, and then working these needs and concerns into our pastoral planning.

## *Who should I invite?*

We want to hear especially from people who do not actively participate in our faith community. This may include fallen away Catholics who no longer participate in Mass, those who have never been involved in our Church, and people who feel excluded from our gatherings for whatever reason.

## *How long does the survey take?*

Most of the questions are open-ended, and the completion time will really vary based on how much respondents write and whether they answer all questions. But we estimate most people will take about 15-20 minutes to complete the survey.

## *Is the survey anonymous?*

The survey can be answered entirely anonymously. We do ask at the end if the participant would be interested in joining a focus group to discuss things further, and if they indicate an interest we ask for their contact information. But there is no need to give any identifying information.

## *When do you need responses?*

The survey is open now. It will remain open until February 28, 2022.

## *How can I invite people?*

The survey is online, and is accessible at <https://halifaxyarmouth.org/survey>. You can invite people via email, in person, on social media. If you're sending someone an email or message to participate, you may wish to say something like this:

*Would you be willing to share your opinions?*

*My Church is running an initiative right now to connect with people who aren't involved to find out how we can be more welcoming and supportive in the community.*

*We have an online survey to listen to people who don't go to Church and hear where they stand. It is short, anonymous (unless you wish to leave your contact information, but you don't have to), and there are no wrong answers. It should take about 15-20 minutes. You can access the survey here: <https://halifaxyarmouth.org/survey>*

*Thanks for your help!*
