## **Giving to Corpus Christi Parish**

Corpus Christi is blessed to have so many gifted volunteers, but there are still many areas of your Parish that require financial support, services that are unable to be completed by volunteers. Your Parish Finance & Administrative Council strives to control and minimize expenses without compromising services, but without your donations this task is futile. There have been many challenges over the last few years and expenses have been kept to a minimum, but if we are to be able to offer expanded programs, to reach those requiring our help, we need your financial support. Considering giving?

There are many ways to donate to Corpus Christi Parish:

- 1- Weekly Offertory Envelopes (envelopes are available at your church communities)
- 2- Cash donations (deposited in collection baskets at Mass)
- 3- E-Transfers (to include your name and church) directed to Corpus Christi (email: [finance@corpuschristins.ca](mailto:finance@corpuschristins.ca))
- 4- PAR (pre-authorized remittances) from your bank account to Corpus Christi's (application forms available upon request)
- 5- Through the mail (directed to Corpus Christi Parish – Kentville Parish Office)

Corpus Christi Parish thanks you for your financial support – How else could we fulfill our mission?

### Vision Prayer

*Heavenly Father, by the power of Your Holy Spirit, we the faithful of Corpus Christi Parish, ask that You bless and sanctify us as we work together to implement our Vision.*

*We ask that You guide us as we strive to love bravely, to serve radically and to meet all whom we encounter with humility and compassion. Help us to unite joyfully and lovingly as followers of your Son, Jesus, to take His message with us wherever we go. We know that by Your grace, we can make this Vision a reality. We ask this in the name of Your Son, our Lord Jesus Christ.*

*Amen*

## PENTECOST HAPPENED AT A MEETING

by Fr. Ron Rolheiser o.m.i.

*If you're someone who's at all concerned about community, family, church, justice, education, culture, or civic issues, you will, no doubt, find yourself at a lot of meetings.*

There are an endless variety of issues that call for our participation in group discussion and community discernment: church issues, education issues, justice issues, moral issues, political issues, social issues, economic issues, and cultural issues. It's a bottomless well and all those meetings can seem like a huge waste of time and energy, a distraction to real work.

Moreover, at a point, we can't help wondering too: *"Are all these meetings changing anything? Would life be any different (other than more leisured and pleasant) if we stopped having all these meetings?"* It's easy to grow tired, discouraged, and cynical about all the meetings we're asked to attend.

But we should keep something in mind: Pentecost happened at a meeting! One of the central events that shaped Christian history and history in general, happened not to an individual off praying alone or to a monk on a mountain-top or to a solitary Buddha meditating under a tree. Pentecost happened at meeting, and it happened to a community, to a church congregation assembled for prayer, to a family of faith gathered to wait for God's guidance.

Moreover, it happened in a common room, a meeting room, in one of those humble, church basement type of rooms. It can be helpful to remember that. Our search for God should take us not just into private places of quiet and contemplation but, equally, into meeting rooms.

That can be helpful to keep in mind when we tire of meetings, despair of their effectiveness, or resent that they pull us away from important private endeavours. The fact that Pentecost happened at a meeting can also be helpful in keeping us focused on why we are going to all these meetings in the first place.

We need to go to continue to go to meetings, spending time together waiting for God, waiting for a new outflow of heavenly fire that will give us the courage, language, and power we need to make happen in the world what our faith and love envision.

See you at the meeting!

## The Ship of Life

by St. Therese of Lisieux  
*The Story of a Soul*

Sometimes I felt lonely, but then peace and courage would come back to me if I repeated the line: *"The world's your ship and not your home."*

These words cheered me when I was very young, and now, in spite of the years which have wiped away so many memories of childish piety, the image of a ship always charms me and helps me to endure my exile on earth.

The Book of Wisdom also says: *"The ship that plows the angry waves, what trace is left of her passage?"*

## One By One

by St. Mother Teresa of Calcutta  
*Words To Love By*

I look at the individual. I can only love one person at a time. I can only feed one person at a time. Just one, one, one.

You get closer to Christ by becoming closer to each other. As Jesus said: *"Whatever you do to the least of the brother and sister of mine, you do to me."* So you begin. I begin. I picked up one person – maybe if I didn't pick up that one person I wouldn't have picked up 42,000.

The whole work is only a drop in the ocean. But if I didn't put the drop in, the ocean would be one drop less. Same thing for you, same thing in your family, same thing in the church where you go ... Just begin. One, one, one.
